Transmittal of Revocation of Power Of Attorney With New Power of Attorney and
Statement Under 37 CFR 3.73(b)

Sir:

The USPTO has for some reason changed the correspondence address and power of attorney for this patent application. The first office action was mailed to Sharp Laboratories of America, Inc., and the power of attorney is shown to be given to David Ripma. None of this is correct or appropriate.

In order to most expeditiously correct this matter, attached hereto is a copy of the originally filed Declaration wherein Attorney Gail Zarick was granted a power of attorney. Also attached is a revocation executed by Attorney Zarick that revokes all previous powers, and that grants a power of attorney to all practitioners associated with Customer No. 48237. This should also change the correspondence address to the firm of Harrington & Smith, PC as shown below. Also attached is a Statement under 37 CFR 3.73(b).

The Commissioner is respectfully requested to enter this information in order to correct the erroneous power of attorney and correspondence address in this application.

The undersigned attorney can be reached by telephone should there be any questions.

Respectfully submitted,

Harry F. Smith (Reg. No. 32,493)
